NEWS OF NOTE:

At the September 21, 2020 Woodland Estates Annual Homeowners' Association meeting, a motion was made to increase annual dues from \$175 to \$200. Expenses are increasing; this will give our reserves a little boost.

Wally and Adam Elsner of Elsner's Lawn Care & Landscape Construction Services presented their proposal for 2021 to the Woodland Estates board on October 14, 2020. The Board accepted the proposal.
